Rider Registration Package

We want to welcome you to the ACES Senior Rides Program.

This program was established to help seniors age 60+ who can no longer drive and need transportation in order to stay in their homes. The rides may be for medical appointments, grocery shopping and for personal business. While the focus of the program is on seniors, we also provide transportation for persons, regardless of age, who may have a medical condition that requires frequent rides to physical therapy, chemo therapy, dialysis or other medical programs.

ACES began this Senior Rides program for Hanover County residents who live in the following zip codes: 23005, 23047, 23059 and 23069. Riders must be ambulatory and able to walk with assistance of a cane or a collapsible walker. This ride service was established through a grant from Senior Connections of Richmond and while there is no charge for the ride, we do ask you to consider donations to ACES to sustain the service. When you ride, we will provide a donation envelope for any donations that you or your family may wish to make.

All of our drivers are volunteers who use their own vehicle to provide the rides. Each driver is required to have a good driving record, a criminal background check and must take a safety driving course. Our drivers are well qualified and insured by the State Division of Risk Management. We expect all of our drivers to treat our riders with the utmost respect and, in return, we ask you to be respectful of our drivers.

Rides must be requested 7 days in advance so we will have time to schedule the trip and secure a volunteer driver.

Please take the time to carefully read the Senior Rides Eligibility Rules, complete the Rider Registration form and return it to ACES Senior Rides.

ACES Senior Rides – Eligibility Rules

Please read our guidelines below and please sign the agreement at the end.

The **ACES Senior Rides** program is for persons age 60 or older who need transportation to (1) medical appointments, (2) grocery shopping or (3) personal business (such as banking). While our focus is on seniors, ACES may also provide rides for persons who have a medical condition that requires frequent medical treatments such as physical therapy, chemo therapy or dialysis. We are glad to serve you and it's important that you understand how our organization operates so we can provide you with the best service possible.

ACES Ride Services

All of the ACES Drivers are volunteers. They donate their time and use their own vehicles to transport people in our community who need rides.

Our Ride Coordinators are volunteers. They are on call Monday through Friday from 9:00 a.m. - 1:00 p.m. They donate their time, energy, and expertise to schedule your transportation appointment.

We ask you to please be considerate of our volunteers for their time and their willingness to serve you!

Regarding Animals:

When an ACES Driver comes to your home, please contain your animals in a separate room. (A dog that seems friendly to you may misunderstand why a stranger is in the house and become aggressive.) Service animals may be acceptable after a review by ACES.

Eligibility- For ACES Ride Services

To qualify for the ACES Ride Service, you must be (1) 60 years of age or older and (2) Independently ambulatory and continent (The ACES' volunteers cannot transport incontinent or wheelchair clients.)

Guidelines for ACES' Riders:

Please be considerate of ACES volunteer drivers who are providing your transportation by following these guidelines:

1. Your pick-up location must be in one of the following Hanover County zip code areas: 23005, 23047, 23059 or 23069.
2. A standard time for a trip from pick-up to return is **2 hours. If you think your trip may be longer, please let the Ride Coordinator know when you call.**
3. Please try to make the time for your appointments between **9:00 a.m. and 2:00 p.m.** Monday through Friday. We want to avoid rush-hour traffic.
4. All grocery shopping trips must be to stores **within 5 miles** of your home.
5. **Our drivers are not permitted to lift heavy objects. (No cases of water or drinks.)**

6. All arrangements for your transportation are to be made through ACES Coordinators at: (804) 543-6115. **Please do not call the driver at home. (The driver will call you to verify.)**

7. **You are responsible for any tolls and parking fees associated with your ride.**

8. You need to call at least 7 days ahead of your appointment, but not more than 2 weeks ahead. If you leave a voice mail message, PLEASE SPEAK SLOWLY and state the following:

Name

Phone Number

Date and time you need transportation, the location of medical appointment, personal business appointment, or grocery store.

9. We can only provide transportation for you **once in seven days**. More frequent trips put too much demand on our volunteer drivers. We can provide a maximum of two grocery shopping rides per month.

10. In the event of inclement weather, the driver will contact you and let you know if he/she will be able to provide transportation that day.

11. Please be ready 10 minutes before the time of pick-up and be on the lookout for the driver in the event that they are having trouble finding your home.

12. The drivers will not make any additional stops—except to your pharmacy following a medical appointment.

13. Please call us if you have a change of plans and don't need our driver.

14. All Virginia laws of the road, including seat belt laws, must be observed to protect our clients as well as our drivers.

15. Please understand that we will make every reasonable effort to provide the requested ride, but as a volunteer organization we cannot guarantee the ride. But if we cannot provide the ride, we will notify you in time to cancel your appointment.

16. Although this is a free service for you, our organization is supported through the donations of the people in the Ashland area and a contribution is always appreciated in order to keep these services available. We will provide a donation envelope for your use.

Please keep these guidelines and refer to them before calling ACES Rides at (804) 543-6115 to request an appointment.

Acknowledgement of ACES' Eligibility and Guidelines and Release from Liability

I have read the ACES Ride Services Eligibility requirements and agree to abide by them. I understand that failure to do so could result in my removal from ACES Ride services.

As a receiver of the ACES volunteer services, I relieve said ACES of any liability due to accident or illness while in the care of their volunteer. I also give my permission to utilize any photos taken while participating in ACES Ride services.
