

# **VOLUNTEER DRIVERS FOR HANOVER SENIOR RIDES**

Hanover Senior Rides needs volunteer drivers and ride coordinators to help Seniors and disabled persons who can no longer drive. This service gives seniors the mobility they need to live independently. Our volunteer drivers use their own vehicles to take seniors to medical appointments, to grocery shopping and for personal business. Drivers are paid 50 cents per mile to reimburse for the cost of gas.

The Hanover Senior Rides program is operated in Mechanicsville by (MCEF) Mechanicsville Churches Emergency Functions and in Ashland by (ACES) Ashland Christian Emergency Services.

Contact us to see how you can help our seniors at MCEF or ACES
